- (c) Scheduling of Rounds. After the announcement of the divisions' composition at the Captain's Meeting, time shall be set aside for Captains within a division to meet and discuss potential schedules for Rounds. All Rounds must be scheduled and submitted no later than April 16, 2012 and submitted to the KC Cup Coordinator. The following procedures must be followed in the absence of a prior agreement. Failure to comply with any deadline specified in the Scheduling Chart attached to these conditions may result in the defaulting team forfeiting the Round in question. If the following procedures are used, captains must communicate by email so that there is a time-stamped record of the communications.
- (i) Offering Date. The captain of the home team shall select three potential dates for a Round, and advise the captain of the visiting team of those dates by the Offering Date set forth in the Scheduling Chart attached to these Conditions. Unless specifically agreed by both captains or as mandated by the KCGA, no Round may begin prior to noon.
 - (ii) Selection Date. The captain of the visiting team shall choose one of the three potential dates, and advise the home team captain of the date chosen by the Selection Date set forth in the Scheduling Chart.
 - (iii) Rain Date. On or before the Selection Date, the captains shall also establish a Rain Date upon which the Round shall be played and/or completed in the event inclement weather causes the postponement or suspension of a Round. In the event inclement weather prevents the playing of a Round on the selected Rain Date, each captain must provide within two business days of the Rain Date to the Coordinator five potential Make-Up dates for the Match to be played. The potential Make-Up dates must be within two weeks of the Rain Date. The Coordinator shall then establish the Make-Up Date. If inclement weather prevents play on the Make-Up Date, the process shall be repeated until the Round is played.
 - (iv) Notification Date. The home team captain shall notify the Coordinator of the date selected for the Round, and the Rain Date, by the Notification Date set forth in the Scheduling Chart.
- (d) Inclement Weather/Suspension of Play. The following procedures shall be followed in the event a Round, once begun, is delayed due to inclement weather or other reasons that justify a suspension in play:
- (i) No Match may be postponed until there has been a waiting period of at least one hour from the time play was scheduled to begin or the time the Match was suspended. If conditions improve such that play may be resumed within that one hour period, the Match shall begin or resume as the case may be. The captains may, by agreement, extend the waiting period.

- (ii) Any suspended Match shall be resumed from the point at which play was suspended (Rule 6-8d). If necessary, individual Matches may be resumed at different times, so long as all Matches are completed by the applicable deadline. If it is not feasible for players to start from the point where play was suspended (because, for instance, the course must start players from the 1st or 10th tees), they may play informally until they reach the point where the Match is to resume.
- (iii) If a Match is postponed, it shall begin or resume at a time and date each side agrees upon. If a mutually agreed upon date cannot be determined, then the Match must be started or resumed on the pre-determined Rain Date. If a side is unable to play on the Rain Date, then it shall forfeit the Match.
- (iv) In the event any Round is postponed, the Coordinator shall be notified by the close of the next business day, and advised of the Round's status at the time play was postponed.

9. **Administration of Rounds.** Team captains are expected to administer Rounds and make good faith efforts to resolve any rules disputes without involving the Coordinator or the Committee. However, if a dispute cannot be resolved, the team captains should contact the KCGA, so long as doing so does not unduly delay a Match or Round.

- (e) Lineups. Team captains shall exchange lineup cards at least one hour prior to the first starting time (including Rounds that begin or are to be completed on a Rain Date or Make-Up Date). All players in the Mid-Am/Senior Match shall play from the forward tees which are the same tees played by the handicap matches.
