last update: June 23, 2016

ABOUT THIS GUIDE

The following is a list of participating courses in all our participating regions organized BY STATE, which is to be used to better serve our Youth on Course members as they play more affordable golf.

When utilizing this guide, know that all restrictions and rates are subject to change at the discretion of Youth on Course and the participating facilities. We will update this document regularly, but with more than 350 courses across the nation, it is no easy task!

ALWAYS CALL AHEAD TO MAKE A YOUTH ON COURSE TEE TIME.

Course restrictions are listed to show times when Youth on Course members CAN play. If there are no restrictions listed, Youth on Course members may play at anytime, so long as they call ahead.

Always bring your valid Youth on Course card with you to the course and arrive early for your scheduled tee-time. Remember, utilizing Youth on Course facilities is a privilege. Please be kind and thankful to staff for their efforts and contact Youth on Course with any questions or concerns.
